We hereby certify that our PLATINUM dry dog food is made of:

700 kg FRESH MEAT

300 kg vegetables, carbohydrates (potato, rice and corn, all non-genetically modified) vitamins, minerals and oils

1.000 kg

**70 % of the INGREDIENTS are FRESH MEAT**

Out of these 1.000 kg of raw material we get 550 kg of finished product.

Herewith you see that per each kg of finished product we have used 1,27 kg of fresh meat!
